BULBS AND PLANTS—SPRING 1942

DORONICUM

Earliest of all Blooming Plants

Plant this early perennial as soon as weather permits. Very early in the Spring when little else is in bloom, this gorgeous perennial bursts forth in a blaze of color. Large golden-like daisies of purest yellow hold up well for bouquets, lasting as a cut flower. Broad foliage that keeps well and green all summer.

of One Variety Only

Dear Customer:
We offer you a wide variety of GLADIOLUS BULBS to choose from this year even though we are very short in most stocks. Our season has been very dry which caused a very great shortage of large size bulbs. We urge you to place your ORDERS EARLY so we will be sure to take care of your requirements.
Prices are maintained on the standard varieties at last season's level even though labor and packing supplies are greatly increased. Most desirable varieties will be sold very early, at prices we are listing in this Price List, so we urge you to take advantage of the prices quoted now. Prices are sure to advance in our later lists.
Thanking you for your past patronage.
Very truly yours,
